Afaf Nasser Yousif Abdullah

عفاف ناصر يوسف عبدالله

PUBLICATIONS (4)

1. **Exact Solutions to a Mathematical Model Representing Avascular Tumor Growth Via Exponential Function Method**
   Utilitas Mathematica 120, 99-112, 2023 | 2023 | Cited: 2

2. **A novel integral transform for solving ordinary and partial differential equations**
   International Conference on Mathematical and Statistical Physics ..., 2023 | 2023 | Cited: 1

3. **A novel iterative method based on Bernstein-Adomian polynomials to solve non-linear differential equations**
   Open Access Libr. J 7, e6267, 2020 | 2020 | Cited: 8

4. **A novel iterative method based on Bernstein-Adomian polynomials to solve non-linear differential equations**
   Open Access Library Journal 7 (05), 1, 2020 | 2020 | Cited: 8
