

# Nyan Farooq Ezzulddin Sittar Altalabani

نيان فاروق عزالدين ستار الطالباني

Assistant Professor

## PROFILE

Nyan Farooq Ezzulddin obtained her Master's degree in Electronics and Communications Engineering from Süleyman Demirel University\ Turkey in 2016, and her Bachelor's degree in Electronics and Control Engineering Technologies from Northern Technical University in 2009. Her academic background has provided her with a solid foundation in both electronics engineering and communications engineering, enabling her to contribute effectively to research in these fields. In December 2024, Nyan began her current role as an Assistant Lecturer at the Northern Technical University-Technical Engineering College/ Kirkuk / Department of Electronics and Control Engineering Technologies. Over the course of her tenure, she has taught numerous academic courses and contributed to the academic development of the department. Her research interests focus on advanced topics in control systems and robotics, the Internet of Things (IoT), and signal processing

## ACADEMIC TITLES

2024-12-05 Assistant Professor

## PUBLICATIONS ( 1 )

1. **Fire-extinguishing robot design by using arduino**  
*IOSRJ. Comput. Eng 18 (6), 113-119, 2016 | 2016 | Cited: 9*
