

Omar Zeyad Tareq

عمرزياد طارق قاسم الملاح

Assistant Lecturer

ACADEMIC TITLES

2023-02-06 Assistant Lecturer

PUBLICATIONS (5)

- New Novel FPGA Based Image Encryption Methods Using Multiple Chaotic Maps**
2024 International Conference on Computer and Applications (ICCA), 1-6, 2024 | 2024 | Cited: 2
- Tcp for data centers: Short flows and incast**
International Journal of Advanced Natural Sciences and Engineering ..., 2024 | 2024
- Hardware/software co-design for a parallel three-dimensional bresenham's algorithm**
International Journal of Electrical and Computer Engineering (IJECE) 9 (1 ..., 2019 | 2019 | Cited: 9
- System on Chip Implementation of Compiler Stack with a Delimiter Matching Application**
2018 Third Scientific Conference of Electrical Engineering (SCEE), 1-6, 2018 | 2018
- Design and Implementation Hardware Architecture for Four–Quadratic Arctangent**
International Journal of Computer Applications 176 (1), 10-13, 2017 | 2017
